MEMORANDUM FOR:

Mr. John McMahon  
Deputy Director of Central  
Intelligence

SUBJECT

: Review of Collection Resources and Priorities  
in the Western Hemisphere

Thank you for your reply to Ambassador Enders' request for a review of intelligence collection resources and priorities in the Western Hemisphere.

Tom and I would be delighted to accept your offer to meet to discuss the plans for additional resources to improve collection in the Western Hemisphere in the context of the Fall's NFIP budget review. To be of most use, we should meet early enough in the review process so there will still be an opportunity for any fine-tuning that might prove desirable.

Let me know when you are ready, and I'll be happy to coordinate a meeting with Tom.

State Dept. review completed.
